Sir,

I have the honor in submitting for information and orders of Government copy of letter no. 3442/2706 dated the 5th March 1901 from the Deputy Commissioner, Kolar District, recommending that a sum of Rs 6000/. may be collected from the Mining Companies on account of the contribution promised by them as per para 8 of Government Proceedings No. 325-7-60/g.342 * Sl No. dated 31st August 1900, I have the honor to state

state that according to the instructions contain

in that para, it rests with the Comptroller to recover the contribution periodically. Moreover the contribution is apparently payable without reference to the actual expenditure on the detective staff and should be collected with reference to the period for which it is due and not with reference to the actual disbursement made at any time. The Deputy Commissioner is not therefore correct in his suggestion that Rs 6000/. only may be obtained for the current year.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Sir,

I have the honor to request that you will kindly address Government with a view of their communicating with Messrs. Detective

detective Department of the Kolar Gold Fields Police

Under the terms of the agreement entered into and approved of in Government order 3257-60 J.342 dated 31-8-1900, the mining authorities were to subscribe about Rs 12,000/. annually, but as the scheme is still in its infancy, and has not been fully inaugurated a sum of Rs 6000/. will probably cover all the expenditure required during the current year, viz, upto the 30th June 1901.
